Dear Mr. Yasen -

Great thanks for the
exquisitely beautiful book,
Invincible Spirit.

I have only had time to
sample the poems so far, but
I couldn't resist looking
closely at each embroidery -
what perfection!

Thank you too, for
your visit to Cliff Brody.
I have read the paper
with great interest and
concern.

The problems of
Rubens and Tykhov
touch us all - their
sentences are so severe,
their spirits truly in-
vincible.

Thank again,
Ruth Dornin
